The screenshot shows the homepage of usenet.nl. At the top left is the logo "usenet.nl" with the tagline "finest downloads since 1979". To the right is a navigation bar with a UK flag, "Login:" and "Password:" fields, and a "Forgot password?" link. Below the navigation bar are five menu items: HOME, REGISTRATION, ABOUT USENET, SOFTWARE, and CUSTOMER SERVICE. The main content area is divided into a left sidebar and a main section. The sidebar contains three sections: "1979 - Year of Revolutions" with a list of events (Sony Walkman, Apple Mac, MS-DOS, Usenet), "Usenet - Facts and Figures" with statistics (10,000 terabytes, 10 terabytes daily, 100,000 newsgroups, 5 server farms, retention times), and "Free newsreader software:" with details about Filemaster (1-click download, 16 parallel connections). The main section features the heading "Usenet - safe and fast downloads since 1979" and a paragraph describing Usenet as an independent network of over 10,000 servers. A prominent orange button says "Sign Up Now" with "more than 300 GB for free". Below this are two icons: a padlock for "Safe" (100% privacy protection) and a lightning bolt for "Fast" (download speed up to 100 Mbps). On the right, there are two historical photos: one from 1979 showing a press conference and another from 1980 showing a terminal screen with the caption "1980: First major file transfer with Usenet".
